Talk Is Cheap

Comeback Kid

Advisory - the following lyrics contain explicit language:

Your debt's escalating
Whisper no regrets
Run your mouth in circles
Chewin', chewin' the fleshYour talk is cheap
And it's going nowhere
Think you're out changing the world
Choking on each word
You spitThose basement dwelling days
Are so far from me
Moving mountains in your head
Buying into all that's saidDive, sink, drown
Caught up in this lie
Dive, sink, drown
Caught up in this life outside your ownYour talk is cheap
And it's going nowhere
Think you're out changing the world
Choking on each word
You spitConvinced of your false visionsYou're the sucker
Keep talking
Keep talkin' away
Keep talkingCashing in all your petty words
They keep talkin' away
It's so far from me
Living like you're dead
