

Oblivion

30 Seconds to Mars

The enemy arrives
Escape into the night
Everybody run now
Everybody run now
Break into another time This enemy alive
Divinity defines
Everybody run now
Everybody run now
Everybody run now
Everybody run Under the burning sun
I take a look around
Imagine if this all came down
I'm waiting for the day to come Come with us to the ride
Join in the fight
Everybody run now
Everybody run now
Break into another time Unity divides
Division will unite
Everybody run now
Everybody run now
Everybody run now
Everybody run Under the burning sun
I take a look around
Imagine if this all came down
I'm waiting for the day to come Under the burning sun
I take a look around
Imagine if this all came down America it's all so beautiful
Until it comes away Under the burning sun
I take a look around
Imagine if this all came down Under the burning sun
I take a look around
Imagine if this all came down Under the burning sun
I take a look around
Imagine if this all came
