

# Question

## Klashnekoff

She woke from a dream  
Her head was on fire  
Why was he so nervous?  
He took her to the park  
She crossed her arms and  
Lowered her eye lids  
Someday somebody's gonna ask you  
A question that you should say yes to  
Once in your life  
Maybe tonight, I've got a question for you  
She'd had no idea  
Started to cry  
She said in a good way  
He took her by the hand  
Walked her back home  
They took the long way  
Someday somebody's gonna ask you  
A question that you should say yes to  
Once in your life  
Maybe tonight, I've got a question for you  
Someday somebody's gonna ask you  
A question that you should say yes to  
Once in your life  
Maybe tonight, I've got a question for you  
Once in your life  
Maybe tonight, I've got a question for you  
I've got a question for you
