Hangar 84

Pitchshifter

" theyve even found some bodies
And one of them was aliveWe can show that to be on the shadow of a doubt
The question is however The question is what were they hidingThis is hanger 84/ this is hanger 84

1947 incidentI know it happened/ I know it happened
Roswell/ Roswell
I know it happened/ I know it happened
Roswell-Ros-Ros-Ros-Ros-Roswell
Tell the truth---Roswell
I know it happened
I know it was real-Roswell
I know it happened-I know it was real
The threats were realThey even found some bodies
Two (two) very- Small mutilated bodie
They were put into bodies there
Two (two)- Small mutilated bodiesThey even found some bodies
One of them was aliveThere was one still alive and was walking around and he said, " I want you to know, you were never there, you never saw anything, you were not there, you don't know anything. And this is a big desert out here, we can just take you in this desert and no1 would ever find your body,"the blips on the screen
The blips are dancing-dancing
The blips were on the screen
The blips were just dancing-dancing
The size of the craft id say possibly made about 20-25 feet.We have military witnesses saying they were sworn to secrecy
The issue is, providing to the public w/e record may still exist, if any
So people can make their own determination
