

# Pictures

Wizz Jones

I saw you just the other day  
And I could not help but I look your way  
You see you've got this special look  
That has got me completely hooked  
Pictures on the wall, pictures everywhere  
Pictures on the wall, everywhere I stare  
Pictures on the wall, the ceiling and the floor

I'm in a metal room and I cannot find the door  
Will this feeling ever go away or will this feeling stay  
Will this feeling ever go away  
`Cause I can't live the rest of my life this time  
I see your face in the clouds in the sky  
I see your face before my eye  
I see your face everywhere and now I don't know what to do
