

# God's Country

Frank Sinatra

And I got the song of the robin  
And I got a roof in the sky  
Wonder why my heart keeps a throbbing, a throbbing  
A son of God's country am I And I got the flames and the mountains  
And that treasure's mine if I try  
One by one my blessings I'm counting and counting  
A son of God's country am I I got the sun up in the sky, the streams when I'm dry  
The fruit on the boughs of the trees  
The clouds bringing me rain, the fields giving me grain  
Thanks to the Maker for these And I got a loved one who loves me  
Kids to make my cares hurry by  
I may not be in heaven but I can't be far away  
A son of God's country am I
