Japanese Alice

Wild Nothing

In false perfection
The blood forgotten
Wrapped up in a smoking cold
Adrift in adaptation
I ring the warning bell
In the tower of my mind
I see the teenage temple
Their faces soft and meltedTokyo calling, masked in rain
Frozen within me, frozen forever
The wax museum, uncanny valley
Maybe unstable, maybe Miss Everything, oh!
Japanese Alice
In the Claude print dress
Ticking to her heartbeat
Someday I won't remember you
Enchanted wool heart
Reaching towards Heaven
In the basement below the store
She sings for no one else
Tokyo calling, masked in rain
Frozen within me, frozen forever
The wax museum, uncanny valley
Maybe unstable, maybe Miss Everything, oh!Then send me home
Then send me home
