

She Sun Shines

Cast

She opens my eyes, she's all around me
And the brighter you shine, the more she sees you
She sun shines with you

Chorus:

If I can't be free, what am I to be?
If I can't have you, what am I to do?
What am I to do? What am I to be?
What am I to do, if I can't be free?

She opens her eyes, she looks right to me
And this feelin' inside, is what she gives to me
She sun shines with me

Chorus:

If I can't be free, what am I to be?
If I can't have you, what am I to do?
What am I to be? What am I to do?
What am I to be, if I can't have you?

(Musical Interlude)

She who takes my hand, she leads the way
She is in my morning, night and day

(Musical Interlude)

She opens her eyes, she looks right through me
And this feelin' inside, she gives it to me
She sun shines in me

Chorus:

If I can't be free, what am I to be?
If I can't have you, what am I to do?
What am I to be? What am I to do?
What am I to be, if I can't have you?
