

My Dark Desires

Dark Funeral

Father

I call your name upon the furious winds
I'm possessed by the spiritual strength of hell
In the chambers of my dark heart a black flame burns

Satan

I summon the horned one from the darkened realms
Grant me the darkened unholy power
To please my evil wicked lust
The coveted hour has finally arrived
The hour when darkness over skies descends
Under the pale light of the frozen moon I prepare the virgin for sacrifice
I whisper forbidden names upon the skies
Nocturnal visions reveal before me
Nightfall embraces my hateful cries
As I fulfill my dark desires My dark desires Satan
Take my soul to hell
I must burn in the inholy flames
Satan
Take my soul to hell
I must burn to purify my weak soul
