Now She Tells Me

Sam Outlaw

I'm not too likely to make you happy
I'll never really try
I'm much too busy
You'll always miss me
But I'll never leave your sideNow she tells me
Now she tells me
Now she tells meI'm out to get ya
I'm hot then cold
I'm playing with your mind
I'll break your spirit
I'll steal your soul
But I'll never leave your side
Now she tells me
Now she tells me
Now she tells meYou'll have to suffer
To prove your love
You'll have to sacrifice
Cause I love you too much
To let you live
And I'll be here 'til you die
Now she tells me
Now she tells me
Now she tells meNow she tells me
Now I know
Cause now she tells me so
