

# Raise The Roof

Lizzy Parks

What you do  
Raise the roof  
Everybody  
Wants you to And you do it with  
And you do it with  
And you do it with  
And you do it with love When you do  
That thing you do  
Love comes through  
You raise the roof Put the music on  
Put the music on  
Put the music on  
They all wanna dance Can do anything?  
If you dare  
Don't mean a thing  
Unless you care And you do it with  
And you do it with  
And you do it with  
And you do it with love All those years I wasted  
Sitting on my own  
Think what I could have tasted  
If I'd only known Why did I wait?  
Why did I wait? Don't tell me it's too late  
Why did I wait?  
Don't tell me it's too late So open up  
Before you start  
Open hand  
Open heart Bring it on  
Bring it on  
Bring it on Bring it on home  
Bring it on home  
Bring it on home Why did I wait?  
Why did I wait? Don't tell me it's too late  
Don't tell me it's too late  
Don't tell me it's too late  
Don't tell me it's too late  
Don't tell me it's too late
