Mothers Be Aware

Smart Alec

Rachel is a faithful daughter Only drinking holy water Never missed a service since aged 4 (Sing hallelujah)

No one is as nice as Trish is She's baking bread and does the dishes And later on sheâ€™s cleaning up the floor (You donâ€™t buy it do ya)

Mothers be aware tell your daughters to prepare They get ready to leave their lair Rachel does her hair Trish is wondering what to wear Itâ€™s Friday Tammyâ€™s got the blues she has troubles with her shoes Mary has decided to pay her dues Iâ€™ll tell you in advance they will party they will dance Itâ€™s Friday

Tammy is a perfect girl scout Is prepared to always help out Selling tonnes of cookies every year (Sing hallelujah)

Raising funds for those who need em Going to the poor to feed em Mary is a restless volunteer (You donâ€™t buy it do ya)

Mothers be aware tell your daughters to prepare They get ready to leave their lair Rachel does her hair Trish is wondering what to wear Itâ€™s Friday Tammyâ€™s got the blues she has troubles with her shoes Mary has decided to pay her dues Iâ€™ll tell you in advance they will party they will dance Itâ€™s Friday

Are you really so naive That you never disbelieve And do you find yourselves again and then

Soon they will all get together Chatting over politics and the weather Cos thats what good girls always do (Yeeaahh)

Mothers be aware tell your daughters to prepare They get ready to leave their lair Rachel does her hair Trish is wondering what to wear Itâ€™s Friday Tammyâ€™s got the blues she has troubles with her shoes Mary has decided to pay her dues Iâ€™ll tell you in advance they will party they will dance Itâ€™s Friday
