Crash the Gates

Yellowcard

Something here, it never looks right
We've been fighting on the front lines for so long
I go digging in the graveyard
To find the remnants of your heart but it's goneAnd I won't wait for my revenge
I will seek to see the end
And I won't sing a battle cry
I will let the sleepless lieSing, "Oh oh oh oh, whoa oh oh"
Crash the gates, light a fire, and watch it burn
Sing, "Oh oh oh oh, whoa oh oh"
Storm the walls, light a fire, and watch it burn
Sing, "Oh oh oh"Now it's crying all around us
Smoke rising from the ground up and I stare
You go digging in the graveyard
But the remnants of my heart are nowhereAnd I won't crave to feel contempt
I will feed from these forget
And I won't claim a victory
I will revel silentlySing, "Oh oh oh oh, whoa oh oh"
Crash the gates, light a fire, and watch it burn
Sing, "Oh oh oh oh, whoa oh oh"
Storm the walls, light a fire, and watch it burnSing, "Oh oh oh oh"Sing, "Oh oh oh oh, whoa oh oh"
Crash the gates, light a fire, and watch it burn
Sing, "Oh oh oh oh, whoa oh oh"
Storm the walls, light a fire, and watch it burn
