Black & Snow

Snow

[INTRO] What goes up must come down (whos that?) Let me tell ya, Snow come back But I dont wanna come back down (whos that?) Look at me Im on top of the world What I feel girl is real Im the king from the deck dem deal Doesnt anybody know? [CHORUS] Snow is back everybody body Fellas snatch up a honey honey Girls come wind up your body body Tell her shes your one and only only Now that Im back youre Gonna hear me and see me When you turn on your radio and TV Things will never be the same No no no Snow is back in the game [VERSE 1] If your feelin nice and irie through your lighters up Tell the DJ lord god for him to jack it up To all the people over there dem a fi run jump up Baby over there she a have hic-up Me never seen a girl wind the way that she whine She has her eyes on me since a quarter to 9 Oh no Well she could never be me friend [CHORUS] Snow is back everybody body Fellas snatch up a honey honey Girls come wind up your body body Tell her shes your one and only only Now that Im back youre Gonna hear me and see me When you turn on your radio and TV Snow is back in the game Things will never be the same No no no Me say me sorry that me kept the people waitin so long [VERSE 2] Now that me back you can dance to a brand new tune Tell ya motha sista brothas and ya fatha too China white black ya can bring ya crew Ever since from way back me have nuff love for you And when you did a hurt me take a hurt lot for you god Well she could never be me friend Girls come wind up your body body [CHORUS] Snow is back everybody body Fellas snatch up a honey honey Tell her shes your one and only only Now that Im back youre Gonna hear me and see me When you turn on your radio and TV Snow is back in the game Things will never be the same No no no [BRIDGE] What goes up must come down But I dont wanna come back down Watch the beat and go, Chris Black you go Chris Black - Chris Black catch the place on fire [VERSE 3 (CHRIS BLACK)] I aint got to say much she respects the Gs After I snatch up a honey I just show her the keys Sprees to Tiffanys - Trips to Belize After that she want a check Snow perform in Cuba My Latino chick said Aruba would do her Maybe meet him in person sing Informer to her (Informer) Next day I take her to the hotel and do her [CHORUS (repeat 2X)] Girls come wind up your body body Snow is back everybody body Fellas snatch up a honey honey Tell her shes your one and only only Now that Im back youre Gonna hear me and see me When you turn on your radio and TV Snow is back in the game Things will never be the same No no no [Thanks to heavenzcutie@hotmail.com for these lyrics]
