

# Let Freedom Ring

Goncalo M

There's a man homeless and hungry  
There's a wind that's hard and biting  
There's a song in need of singing  
There's a fuse in need of light And it's no secret, the day is coming  
And it's a day I hope to see  
But if they ask, if they ask you, brother  
Who told you that? You didn't hear it from me Let freedom ring  
Let freedom ring  
Let freedom ring  
Let freedom ring There's a book with seven seals  
There's a beast with seven heads  
There's seven angels on seven horses  
There's seven vials with seven plagues So if you hear, if you hear a knocking  
On that door just let it be  
But if they ask, if they ask you, brother  
Who told you that? You didn't hear it from me Let freedom ring  
Let freedom ring  
Let freedom ring  
Let freedom ring Where the righteous, where the righteous stood  
Where the righteous, where the righteous fell  
There's a voice soft and whispering  
Coming from the bottom of the well And I tried hard to remember  
To remember what that voice said  
Over and over, over and over  
I repeated those words inside my head Let freedom ring  
Let freedom ring  
Let freedom ring  
Let freedom ring Let freedom ring  
Let freedom ring  
Let freedom ring  
Let freedom ring And if they ask, if they ask you, brother  
Who told you that? Tell them it was me, yup
