Another Mistake

Slapshot

Tried to get it right
Tried to get right
But I made the same mistake
I made the same mistakeTried to get it right
Tried to get it right
But I made the same mistake
I made the same mistakeEverything I say
And everything I do
Comes out wrong in the end
Wrong in the endEverything I say
And everything I do
Comes out wrong in the end
Wrong in the endI don't know what to do
Cause I can't get over youTried to get it right
Tried to get it right
But I made the same mistake
I made the same mistakeTried to get it right
Tried to get it right
But I made the same mistake
I made the same mistakeEverything I say
And everything I do
Comes out wrong in the end
Wrong in the endEverything I say
And everything I do
Comes out wrong in the end
Wrong in the endI don't know what to do
Cause I can't get over youI don't know what to do
Cause I can't get over you
