

Street Lights (Prod. Mr. Hudson & Kanye West)

Kanye West

Let me know
Do I still got time to grow
Things ain't always set in stone
That be known let me know
Let meSeems like, street lights, glowin
Happen to be just like moments, passin
In front of me so I hopped in, the cab and
I paid my fare see I know my destination
But I'm just not thereAll the street lights, glowin'
Happen to be just like moments, passin'
In front of me so I hopped in, the cab and
I paid my fare see I know my destinationBut I'm just not there
In the streets
In the, streets
I'm just not there in the streets
I'm just not there
Life's just not fairSeems like, street lights, glowin
Happen to be just like moments, passin
In front of me so I hopped in, the cab and
I paid my fare see I know my destination
But I'm just not thereAll the street lights, glowin
Happen to be just like moments, passin
In front of me so I hopped in, the cab and
I paid my fare see I know my destination
But I'm just not thereAll the street lights, glowin
Happen to be just like moments, passin
In front of me so I hopped in, the cab and
I paid my fare see I know my destinationBut I'm just not there
In the streets
In the, streets
I'm just not there in the streets
I'm just not there
Life's just not fair
Life's just not fair
