

# When (feat. Sawyer Fredericks)

[Olivia Millerschin](#)

Verse 1:

My mind is a mess, my body's a wreck, your arms are the only refuge I know.

When morning arrives, the pain may subside, but tonight there's no way that I'm going home. Pre Chorus:

So here I am, now's your chance to Chorus:

Raise your voice, show me your worst, show me your worst.

Give me hell, say I deserve this, say I deserve this.

I'll take you anyway, I'll love you every day, if you return.

And when you return to me, I'm never letting go. Verse 2:

My words are all wrong, I speak too loud for too long but what was I, what was I talking about?

I know that you're angry and there's no use explaining that I ran away because nobody's loved me like that. Pre

Chorus:

But now here I am, take your chance to Chorus:

Raise your voice, show me your worst, show me your worst.

Give me hell, say I deserve this, say I deserve this.

I'll take you anyway, I'll love you every day, if you return.

And when you return to me, I'm never letting go.
