

# **Losin' You**

**Clare Burson**

i'm losin' you  
i'm losin' you  
memory needs a place to land  
i held my tongue to taste your handi'm losin' you  
i'm losin' you  
yellowed page and faded pen  
photos lie in stillnessi'm losin' you  
i'm losin' you  
salty sea and mountain air  
boats and trains to get us there  
sailor suits and wooden toys  
daddy's girl and mama's boyi'm losin' you  
losin' you
