Come Back To Me Baby

US5

Come back to me,
Just come back to me girl (Yeah)
Come back to me

Girl I used to think it was OK
I don't know what I say
I need you in my life
The love we shared
You know it felt so strong
But I feel something's wrong
Girl I need you now

I don't wanna believe that it's over
I don't wanna believe this love is through
All I want is to look in your eyes
And be with you (Oh yeah)

Come back to me baby
Come back cause I need you by my side
Come back to me baby
Cause I need you here

Now I'm praying for a better day
That we can find a way
To make this feelin' last

Tell me why we have to be alone (Alone)
How can we carry on (Can we carry on)
With this pain inside oh girl

Come back to me baby (Come back come back)
Come back cause I need you by my side
Come back to me baby
Cause I need you here

Oh girl I need you here
Come back to me baby (Come back, come back come back)
Come back cause I need you by my side
Come back to me baby

Cause I need you here

Tonight I'm gonna be with you
Why can't you see
My love is real
If only I had you in my arms
Please come back to me
I'll make you feel
The love that I have
That I have (Yeah, yeah, oh, oh, oh)

Come back to me baby (Come back, come back, come back)
Come back 'cause I need you by my side
Come back to me baby
'Cause I need you here

Just come back to me (Come back, come back, come back)
Just come back to me girl (yeah)
Come back to me
'Cause I need you here

Come back to me baby
Come back 'cause I need you by my side
Come back to me baby
Cause I need you here with me
