

# Come Back To Me Baby

US5

Come back to me,  
Just come back to me girl (Yeah)  
Come back to me

Girl I used to think it was OK  
I don't know what I say  
I need you in my life  
The love we shared  
You know it felt so strong  
But I feel something's wrong  
Girl I need you now

I don't wanna believe that it's over  
I don't wanna believe this love is through  
All I want is to look in your eyes  
And be with you (Oh yeah)

Come back to me baby  
Come back cause I need you by my side  
Come back to me baby  
Cause I need you here

Now I'm praying for a better day  
That we can find a way  
To make this feelin' last

Tell me why we have to be alone (Alone)  
How can we carry on (Can we carry on)  
With this pain inside oh girl

Come back to me baby (Come back come back)  
Come back cause I need you by my side  
Come back to me baby  
Cause I need you here

Oh girl I need you here  
Come back to me baby (Come back, come back come back)  
Come back cause I need you by my side  
Come back to me baby

Cause I need you here

Tonight I'm gonna be with you

Why can't you see

My love is real

If only I had you in my arms

Please come back to me

I'll make you feel

The love that I have

That I have (Yeah, yeah, oh, oh, oh)

Come back to me baby (Come back, come back, come back)

Come back 'cause I need you by my side

Come back to me baby

'Cause I need you here

Just come back to me (Come back, come back, come back)

Just come back to me girl (yeah)

Come back to me

'Cause I need you here

Come back to me baby

Come back 'cause I need you by my side

Come back to me baby

Cause I need you here with me
