

Say Goodnight

Jump, Little Children

I heard you late last night
You know you talk too much
Not everything comes through these walls
But just enough
To hear the things that I don't want to hear I heard you late last night
I wish I had my distance
I hear you crash around
And say that no one listens
I wish that I would hear you say goodnight And nobody cares, especially me
But I can't help myself as I fall asleep
To turn out the lights, turn back the sheets
Say goodnight and turn me on Turn out the lights
Turn back the sheets
Turn me on I heard you late last night
You were in such a hurry
Not a sound behind these walls
Makes me worry
I wish that I would hear you say goodnight And nobody cares, especially me
But I can't help myself as I fall asleep
To turn out the lights, turn black the sheets
Say goodnight and turn me on To turn out the lights
Turn black the sheets
Turn me on Say goodnight
Say goodnight
Say goodnight
Say goodnight And nobody cares, especially me
But I can't help myself as I fall asleep
To turn out the lights, turn back the sheets
Say goodnight and turn me on Turn out the lights
Turn back the sheets
Turn me on, yeah Turn out the lights
Turn back the sheets
Turn me on, yeah
Yeah, yeah, yeah, yeah
