

Love Session

Silk

Plug me up to the love session baby
Plug me up baby Yeah, c'mon, yeah, 2000 watts
Yeah, say boom, yeah, my beat goes
Yeah, yeah, yeah, yeah boom boom boom
My beat goes boom If you're looking for some good love
Girl some dirty southern good love
You need to let me know
I'll take it nice and slow
And baby that's for sure, oh Girl just beep me when you're ready
And when I get there girl just tell me
Just tell me what you need
I'll follow, you lead
And if I have to girl I'll be If you're lookin' for affection
Some kissin' and caressin'
Girl just look in my direction
Don't be late for your lesson
Lesson, lesson Get that thing nice and wet and
Give that body a blessin'
Don't get down without protection
Don't be stressin'
I can't wait for the love session Let me take you for a long ride
Girl I can't wait till I get inside
We can do it in the park
Girl as soon as it gets dark
Let me find somewhere to park Got some blackberry molasses
Before we start, take off your glasses
Wanna look into your eyes
While I'm rubbin' on them thighs
Girl you make my nature rise If you're lookin' for affection
Some kissin' and caressin'
Girl just look in my direction
Don't be late for your lesson
Lesson, lesson Get that thing nice and wet and
Give that body a blessin'
Don't get down without protection
Don't be stressin'
I can't wait for the love session I'm here to make your body scream
I'm here to make your body sing
Na, na, na, na, na, na, na
