Stellar

Bazz

You are stellar
Meet me in outer space
We could spend the night
Watch the earth come up
I've grown tired of that place
Won't you come with me?
We could start again
How do you do it?
You make me feel like I do
How do you do it?
It's better than I ever knew, ho
Meet me in outer space
I will hold you close
If you're afraid of heights
I need you to see this place
It might be the only way
That I can show you how
It feels to be inside of you
How do you do it?
You make me feel like I do
How do you do it?
It's better than I ever knew, yea
How do you do it?
You make me feel like I do
You do
Ohh
You are stellar
You are stellar
How do you do it?
You make me feel like I do
How do you do it?
Its better than I ever knew, no
How do you do it?
You make me feel like I do
How do you do it?
You make me feel like I do
Yea
