When I lost him ache Shudder shock of pale My, my true love Niccol Donati, these days are smoking days Though he won't see (Deceived me)You deceive me (With you)Erase it I will not (to stay) Touching a helix (didn't she know alex?) (I I will plead)Blotting an excuse you (alice, alice, alice, alice, alice) would share, (alice, alice, alice, alice, alice) who shall (alice, alice, alice, alice) replace (alice, alice, alice, alice, alice) YouWhen I lost him ache Shudder shock of pale My, my true love Niccol Donati, this mess I smoke away And he won't see (pushing me)Oops she fell (with you)Racin her bike (so you)touching her lies (not me)
