

# 20 Feet Tall

## The Copyrights

My love, what did I do  
To make you fall  
So far from me? And now, I can't recall  
Because of the fall  
Selective memory Then you, you built a wall  
A 20 foot wall  
So I couldn't see But if I get off my knees  
I might recall  
I'm 20 feet tall Ooh, ehh  
I'm 20 feet tall  
Mmm, yeah, ooh, yeah  
I'm 20 feet tall My love, what did I do  
To make you fall  
So far from me? And now, I can't recall  
Because of the fall  
Selective memory Then you, you built a wall  
A 20 foot wall  
So I couldn't see But if I get off my knees  
I might recall  
I'm 20 feet tall Ehh, eh, ooh, yeah  
I'm 20 feet tall  
Ehh, yeah, ooh, ahh  
I'm 20 feet tall Ah, yeah, ooh, hey  
I'm 20 feet tall  
Ehh, ehh, yeah, yeah ehh  
I'm 20 feet tall  
Mmm, mmm
