

You Just Like Me Cause I'm Good In Bed

[Missy Higgins](#)

You just like me 'cause I'm good in bed
You just like me 'cause I'm good in bed
Yeah, that's what your girlfriend said
You just like me 'cause I'm good in bed
Good in bed
Good in bed

Well I'll meet you at the pub
At two minutes to ten
You're all ready to go
With six bottles of beer
And a sneer on your face
Well I'd run

But I'm much too slow
You just like me 'cause I'm good in bed
Yeah that's what your girlfriend said
You just like me 'cause I'm good in bed
You just like me 'cause I'm good in bed
At half past one

Well I'm flat on the floor
Caught like a rat in a trap
Fifteen times a week
And you still want more
Oh God, you talk such crap
You just like me 'cause I'm good in bed
Yeah, that's what your girlfriend said
You just like me 'cause I'm good in bed
You just like me 'cause I'm good in bed
You just like me 'cause I'm good in bed
Yeah, that's what your girlfriend said
You just like me 'cause I'm good in bed
Oh, you just like me cause I'm good in bed
You just like me, yeah
You just like me
You just like me 'cause I'm good in bed
