

Reload (Inspired Edit)

Sebastian Ingrosso, Tommy Trash & John Martin

When night has become the day
They're sending you far away
So, so far away When everything starts to fade
You don't have to be afraid
No, you don't have to be afraid Take my hand and reload
This is free love
That's what we are made of
Yes, we are, are, are Reload
This is real love
That's what we are made of
Yes, we are, are, are
Take my hand and reload
This is free love
That's what we are made of
Yes, we are, are, are When you want to get off the ground
But gravity pulls you down
Gravity pulls you down And when you feel out of place
You don't have to be afraid
No, you don't have to be afraid Take my hand and reload
This is free love
That's what we are made of
Yes, we are, are, are Reload
This is real love
That's what we are made of
Yes, we are, are, are
Take my hand and reload
This is free love
That's what we are made of
Yes, we are, are, are Reload
This is real love
That's what we are made of
Yes, we are, are, are
