

# When You Kiss Me

Shania Twain

This could be it, I think I'm in love  
It's love this time  
It just seems to fit, I think I'm in love  
This love is mine I can see you with me when I'm older  
All my lonely nights are finally over  
You took the weight of the world off my shoulders  
(The world just goes away) Oh, when you kiss me  
I know you miss me  
And when you're with me  
The world just goes away The way you hold me  
The way you show me  
That you adore me  
Oh, when you kiss me  
Oh, yeah You are the one, I think I'm in love  
Life has begun  
(I think I'm in love) I can see the two of us together  
I know I'm gonna be with you forever  
Love couldn't be any better  
(The world just goes away) Oh, when you kiss me  
I know you miss me  
And when you're with me  
The world just goes away The way you hold me  
The way you show me  
That you adore me  
Oh, when you kiss me  
Oh, yeah I can see you with me when I'm older  
All my lonely nights are finally over  
You took the weight of the world off my shoulders  
(The world just goes away) Oh, when you kiss me  
I know you miss me  
And when you're with me  
The world just goes away The way you hold me  
The way you show me  
That you adore me  
The world just goes away And when you kiss me  
I know you miss me  
Oh, the world just goes away  
When you kiss me
