

My Gift to You

Korn

There you were, my precious, not long ago
Hidin' behind the shadows of your broken soul
Why is it always you want something you can never have?
Why did you try to tempt me? How could you be this way? Your throat I take grasp
(Can't you feel the pain?)
Then your eyes roll back
(Can't you feel the pain?)
Love racing through my veins
(Can't you feel the pain? Can't you feel the pain?) Your heart stops beating
(Can't you feel the pain?)
Black orgasms
(Can't you feel the pain?)
I kiss your lifeless skin
(Can't you feel the pain?) There you were, my precious, with your broken soul
Rubbing my crotch elated, taking control
Why is it always you fuck up something you've always had?
Why did you try to tempt me? How could you be so cold? Your throat I take grasp
(Can't you feel the pain?)
Then your eyes roll back
(Can't you feel the pain?)
Love racing through my veins
(Can't you feel the pain? Yes, I feel the pain) Your heart stops beating
(Can't you feel the pain?)
Black orgasms
(Can't you feel the pain?)
I kiss your lifeless skin
(Can't you feel the pain?) Here I am, just a man
Feeling pain, gives me life
Relieving yours is my plan
I'd do anything, just to see through your eyes Just to see through your eyes
Just to see through your eyes
Just to see through your eyes Just to see through your eyes
Just to see through your eyes
Just to see through your eyes
Just to see through your eyes
Just to see through your eyes I hate you, can't you feel the pain?
I hate you, can't you feel the pain?
I hate you, can't you feel the pain?
I hate you, can't you feel the pain? I hate you, can't you feel the pain?

I hate you, can't you feel the pain?
I hate you, can't you feel the pain?
I hate you Your throat I take grasp
(Can't you feel the pain?)
Then your eyes roll back
(Can't you feel the pain?)
Love racing through my veins
(Can't you feel the pain? Yes, you feel the pain) Your heart stops beating
(Can't you feel the pain?)
Black orgasm
(Can't you feel the pain?)
I kiss your lifeless skin
(Can't you feel the pain? Can't you feel the pain?) Lifeless skin
(Can't you feel the pain?)
Lifeless skin
(Can't you feel the pain?)
Lifeless skin
(Can't you feel the pain?)
Lifeless skin
(Can't you feel the pain?)
