

# Jesus Christ (Demo)

## Big Star

Angels from the realms of glory  
Stars shone bright above  
Royal David's city  
Was bathed in the light of love  
Jesus Christ was born today  
Jesus Christ was born  
Jesus Christ was born today  
Jesus Christ was born  
Lo, they did rejoice  
Fine and pure of voice  
And the wrong shall fail  
And the right prevail  
Jesus Christ was born today  
Jesus Christ was born  
Jesus Christ was born today  
Jesus Christ was born  
And we're gonna get born now
