White Wedding

Sentenced

Hey little sister, what have you done?
Hey little sister, who's the only one?
Hey little sister, who's your superman?
Hey little sister, who's the one you want?
Hey little sister, shotgunIt's a nice day to start again
It's a nice day for a white wedding
It's a nice day to start againHey little sister, what have you done?
Hey little sister, who's the only one?
I've been waiting for so long
I've been waiting for so long
I let you go for so longIt's a nice day to start again
It's a nice day for a white wedding
It's a nice day to start againPick it up
And take me back home, yeahThere is nothing fair in this world
There is nothing safe in this world
And there's nothing sure in this world
And there's nothing pure in this world
Look for something left in this worldStart again
Come on, it's a nice day for a white wedding
It's a nice day to start again
It's a nice day to start again
It's a nice day to start again[Incomprehensible]
It's a nice day to start again
[Incomprehensible]
It's a nice day to start again
