

Stick to Me

Jean B. Gerbier

Stick to me

When looking for love, don't stress out your imagination.
You know how important you are to me. So, it should be kind of
low in your priority list.

Chorus

Stick to me, like you do on Monday.
Stick to me, I promise you flowers on Tuesday.
Stick to me, we'll make sweet love on Wednesday.
Stick to me, we'll take a walk on Thursday.
Stick to me, we can do Bible study on Friday.
Stick to me, we can rest on Saturday.
Stick to me, we can go to Church on Sunday.

When you sneak out, relationship is at fault.
Think of the good times we've had throughout the years,
in doing so, reminisce you of our times in paradise.
