

Slow And Steady

[Randy Owen](#)

I wanna love you
Slow and steady I wanna love you
Slow and steady I wanna take you to the mountain
But I won't let you fall
When our hearts come together
And we've done it all I wanna love you
Slow and steady
I wanna love you
Anytime you're ready
I wanna love you
Slow and steady
I wanna taste you're sweet lovin'
In my damp and tangled sheets
I wanna kiss you all over
From your head down to your feet I wanna love you
Slow and steady
I wanna love you
Everytime you're ready
I wanna love you
Slow and steady I wanna love you
Slow and steady I wanna love you
Slow and steady
I wanna love you
Everytime you're ready
I wanna love you
Slow and steady
I wanna love you
Everytime you're ready
I wanna love you
Slow and steady I wanna love you
Slow and steady I wanna love you
Slow and steady
