

# SWAG SURFIN

## Brickyard Pro

man i got dat swaaaaagg  
mah hat matchin my baaaagg  
you know im poppin taaaagggs  
but man i got that swaaaaagg

IM SWAGGIN WHILE IM SURFIN, NOW WATCH ME SERVE AND SWAGG [2x]

truthfully im gettin sick & tired of all dis dammn swag talkin  
seems to me cause all i see is just a bunch of fags talkin  
what you say? niggas fake & im gon never ever change  
hard headed, guess im still just stuck all in my brooklyn ways  
shout out to mah niggaz self; bigger to the whole union

pretty bitches curious to find out what a gangsta do  
& ill be chillin, cash stackin clubbin' while mah pants saggin'  
ill be drinkin', ill be wildin', swing my rag, black flaggin'  
she buy the way i walk, thugs love the way i talk  
ask em' bout me, they gon' say that boy yay yayy he run New York  
still aint puttin' damn shades; i dont chase fame booiiii  
selfish, i got my self hott, i guess im slef made  
i swagg when i surf(3x)  
now watch me surf and swagg, OK  
(2x)
