

Everything

Seven Places

There's no sweeter Name I know, there's no other fount that flows.
There's no shadow of turning and I am yearning.
Where can I go but into You?
There's none like You Jesus.
Everything You are is so beautiful, everything You are is so wonderful.
Everything I am wants to be like You Jesus.
There's no greater love I know, than the love for me You've shown.
There's no shadow of turning and I am yearning.
Where can I go but into You?
There's none like You Jesus.
Everything You are is so beautiful, everything You are is so wonderful.
Everything I am wants to be like You Jesus.
