

Never My Love

[Astrud Gilberto](#)

You ask me if there'll come a time
When I grow tired of you
Never my love
Never my love You wonder if this heart of mine
Will lose its desire for you
Never my love
Never my love What makes you think love will end
When you know that my whole life depends
On you (on you) Never my love
Never my love You say you fear I'll change my mind
And I won't require you
Never my love
Never my love How can you think love will end
When I've asked you to spend your whole life
With me (with me, with me)
