

Suicide Blonde.

INXS

Don't you know what you're doin'
You got a death wish Suicide blonde
Suicide blonde
Suicide blonde
Suicide blonde Suicide blonde was the color of her hair
Like a cheap distraction for a new affair
She knew it would finish before it began
Woah baby, you lost the plan You wanna make her, suicide blonde
Love devastation, suicide blonde
You wanna make her, suicide blonde
Love devastation, suicide blonde Stripped to the beat but her clothes stay on
White light everywhere but you can't see a thing
Such a squeeze a mad sad moment
Glory to you, glory to you take me there, take me there, oh Got some revelation put into your hands
Save you from your misery like rain across the land
Don't you see the color of deception?
Turnin' your world around again You wanna make her, suicide blonde
Love devastation, suicide blonde
You wanna make her, suicide blonde
Love devastation, suicide blonde You wanna make, you wanna make
You wanna make her, suicide blonde
You wanna make That's the story
Everything you wanna be
Everything you are, are You wanna make her, suicide blonde
Love devastation, suicide blonde, no
You wanna make her, suicide blonde
Love devastation, suicide blonde, yeah Love devastation
You wanna make her, suicide blonde
Love devastation, suicide blonde
You wanna make her
