

# Feelin It

Jay-z

I'm feelin' it fill the glass to the top with Moet  
Feelin' it, feel the Lex pushin' up on the set  
I'm feelin' it through the high that you get from the lye  
Feelin' it if you feel it raise your L in the sky  
I keep it realer than most I know your feelin' it  
Cristal on ice I like those toes I keep spillin' it  
Bone crushers I keep real close I got the skill for this  
On my back the fliest clothes lookin' ill and shit  
Transactions illegitimate cause life is still a bitch  
And then you die but for now life close your eyes and feel this dick  
Since diapers had nothin' to live for like them lifers but  
Makin sure every nigga stay rich within my cipher  
We paid the price to circular success they turned my mic up  
I bout to hit these niggas that'll light they life up  
If every nigga in your clique is rich your clique is rugged  
Nobody will fall cause everyone will be each others crutches  
I hope you fools choose to listen I drop jewels bust it  
These are the rules I follow in my life you gotta love it  
Jiggy jigger lookin' gully in the joint  
If y'all niggas ain't talkin' 'bout large money what's the point?  
I'm feelin' it fill the glass to the top with Moet  
Feelin' it, feel the Lex pushin' up on the set  
I'm feelin' it through the high that you get from the lye  
Feelin' it if you feel it raise your L in the sky  
Even if it ain't sunny hey I ain't complainin'  
I'm in the rain doing a buck 40 hydroplanin' what shorty  
Where you disappear son?  
Maintainin' puttin' myself in a position most of these rappers ain't in  
I'm livin' the ill streets blues got you hunger painin'  
Nothin to gain and a whole lot to lose you still singin' fool  
I'm thorough in every boro my name be ringin'  
Warmin' it up for the perfect time to hit your brain and  
Ya Feelin' it? To all the girls  
I bought the girdle to conceal my bricks  
No doubt they can vouch my life is real as shit  
95 south and poppy on the hill and shit  
And all the towns like Cambridge that I killed wit shit  
And all the thorough ass niggas that I hustle wit  
Throw your joints in the air one time and bust your shit

These fake rappers cant really know I'm lovin' it ya feelin' it  
I'm feelin' it fill the glass to the top with Moet  
Feelin' it, feel the Lex pushin' up on the set  
I'm feelin' it through the high that you get from the lye  
Feelin' it if you feel it raise your L in the sky  
I'm feelin' it fill the glass to the top with Moet  
Feelin' it, feel the Lex pushin' up on the set  
I'm feelin' it through the high that you get from the lye  
Feelin' it if you feel it raise your L in the sky  
What y'all ain't heard that nigga Jay hot?  
The Cristals they keep me wet like Baywatch  
I keep it tight for all the nights my mom prayed I'd stop  
Said she had dreams that snipers hit me with a fatal shot  
Those nightmares mom  
Those dreams you say you got give me the chills  
But these mils make me hot y'all feel me  
Enough to stop the illin' right?  
But at the same time these dimes keep me feelin' tight  
I'm so confused  
Okay I'm gettin' weeded now I know I'm contradicting myself  
Look I don't need that now  
It just once in a blue moon when there's nothin' to do and  
The tension's too thick for my sober mind to cut through  
I get to zonin', me and the chick on the L and then we're bonin'  
I free my mind sometimes I here myself moanin'  
Take one more toke and I leave that weed alone man  
It got me goin' shit  
I'm feelin' it fill the glass to the top with Moet  
Feelin' it, feel the Lex pushin' up on the set  
I'm feelin' it through the high that you get from the lye  
Feelin' it if you feel it raise your L in the sky  
I'm feelin' it fill the glass to the top with Moet  
Feelin' it, feel the Lex pushin' up on the set  
I'm feelin' it through the high that you get from the lye  
Feelin' it if you feel it raise your L in the sky  
I'm feelin' it fill the glass to the top with Moet
