

The Last Waltz

Engelbert Humperdinck

I wonder should I go or should I stay
The band had only one more song to play
And then I saw you out the corner of my eye
A little girl, alone and so shy I had the last waltz with you
Two lonely people together
I fell in love with you
The last waltz should last forever But the love we had was goin' strong
And through the good and bad we get along
And then the flame of love died in your eyes
My heart was broke in two when you said goodbye I had the last waltz with you
Two lonely people together
Oh, I fell in love with you
The last waltz should last forever It's all over now, nothing left to say
Just my tears and the orchestra playin' La, la, la, la, la, la, la, la, la
La, la, la, la, la, la, la, la, la, la I had the last waltz with you
Two lonely people together
I fell in love with you
The last waltz should last forever
La, la, la, la, la, la, la, la, la, la
