

You're So Fine

Eddie Floyd

You're so fine
You're so fine
In your mind
Your mind
And I'll walk
And I'll talk
About you'Cause I love you
I love you
I need you
I need you
And I'll walk
And I'll talk
About youThere ain't nothing in this world as sweet your lips
So fine, so fine
Every time we met heart skips a beat
You're my first cup of coffee
My last cup of deepYou're so fine
In your mind
Your mind
And I'll walk
And I'll talk
About youAnd I'll walk
And I'll talk
About youThere ain't nothing in this world as sweet your lips
So fine, so fine
Every time we met heart skips a beat
You're my first cup of coffee
My last cup of deepYou're so fine
In your mind
Your mind
And I'll walk
And I'll talk
About you
And I'll walk
And I'll talk
About you
And I'll walk
And I'll talk
About you

And I'll walk
And I'll talk
About you
