

Mimi

Dean Martin

Mimi

You funny good for nothing, Mimi

Am I the guy for Mimi?

You little honey of a Mimi I'm aiming high Mimi you got me sad and dreamy

You could free me if you'd see me, Mimi

You know I'd like to have a little of some Mimi

By and by Oh Mimi you got me sad and dreamy

You could free me if you'd see me, Mimi

You know I'd like to have a little some of Mimi

By and by, by and by
