

# All I Want Is You

Miguel

Damn cold world  
I never thought I see that day that you my old girl  
Now I'm stuck here hollering at old girl  
Got one, got two three four girls  
Shotgun in the drop made a right  
Hut one hut two told them hoes take a hike  
Then it's on to the next one on on to the next one  
Hard to move on when you always regret one I wonder sometimes.  
I wonder if I, was wrong  
Tryna do right by you got me here  
Now all I am is alone 'Cause her eyes  
Those hips  
And that ass  
Don't compare at all, no  
And at best all they do is distract me but now  
Deep down when I face it All I want is you  
All I want is you, now  
All I want is you now  
Now that you're gone, gone, gone 'Cause being your friend  
Is killing me softly  
Hear voices  
Wonder where I went wrong  
It was my fault  
And the wrong time  
I wonder so often  
Regret gets exhausting 'Cause her eyes  
Those hips  
And that ass  
Don't compare at all, no  
And at best all they do is distract me but now  
Deep down when I face it All I want is you  
All I want is you now  
All I want is you now  
Sugar now that you're gone, gone, gone All I want is you  
All I want is you, now  
All I want is you now  
Baby now that you're gone, gone, gone, gone, gone 'Cause they don't smile or smell like you  
'Cause they don't make me laugh or even cook like you  
'Cause they don't photograph nah they don't sex like you

Lets face it I can't replace it  
That's why all I want is you now I hit the club when you left me thinking that could heal shit  
Trying to celebrate my "Independence Day" Will Smith  
Baby girl who I'm kidding  
Still sick real shit  
All my new hoes seem to get old real quick  
And could it be,  
you everything that these plain bitches couldn't be  
Is it a sign from the Lord that I shouldn't be  
Lost in the player way sorta get old to me  
Got me on layaway, girl you gotta hold on me  
I say I'm wrong, you say come again  
Damn said I was wrong look don't rub it in  
I got a lot on my mind  
Got a flock full of dimes  
Like a line full of hoes,  
How they coming in  
Just saying  
Don't wanna have me then somebody will  
I'm playing  
Weight on my chest like I body build  
I'm praying  
You ain't content with trying to do your thang  
And come back baby boomerang, rang That's why  
All I want is you now  
All I want is you now  
All I want is you now  
Sugar now that you're gone, gone, gone, gone, gone You know that you're gone, gone, gone  
I want you back
