Feelins'

Conway Twitty

Feelins' just lead us on till we know
Where we're goin', hmmIf I told you that I loved you could we slip away
Where the lights're low
And if I put my arms around you and held you close
Could you tell me noWell you know that I'd be lyin'
If I said I was a tryin'
To let you know I'd go
Let love take me where we've never been beforeFeelins' just lead us on till we know
Where we're goin', hmmYou don't know how long I wanted to have you
Where you are right now
With you looking soft and pretty
Ain't no telling where we've foundNow here we are together
Too close with talkin'
I can't tell you no
Yes love take us where we've never been beforeFeelins' just lead us on till we know
Where we're goin', hmm
Feelins' hmm
Feelins'
