

I Don't Apologize

Otherwise

No, I don't apologize for taking back the life that I deserve,
It's like we took a thousand pictures just to watch them burn.
And with every moment wasted, it doesn't feel like anything was learned,
After the fall. I'd rather be blind than to see your eyes,
I'd rather be deaf than to hear your lies,
I'd rather be broke than to sell my soul,
I gave you my all, but you'll never know. No, I'm not gonna hurt anymore,
I've already walked through that door.
All of this time, could've moved on, should've known better than this,
And I hope it hits you right between the eyes,
I don't apologize. And I don't apologize for all the times you said that I was wrong,
You scattered all the pieces, you couldn't just leave good enough alone.
And with every step you're taking, it's cutting even deeper to the bone,
We could've had it all. No, I'm not gonna hurt anymore,
I've already walked through that door.
All of this time, could've moved on, should've known better than this,
And I hope it hits you right between the eyes,
I don't apologize.
I don't apologize. I'd rather be blind than to see your eyes,
I'd rather be deaf than to hear your lies,
I'd rather be broke than to sell my soul,
I gave you my all, but you'll never know. No, I'm not gonna hurt anymore,
I've already walked through that door.
All of this time, could've moved on, should've known better than this,
And I hope it hits you right between the eyes,
I don't apologize.
No, I don't apologize.
I don't apologize.
It's like we took a thousand pictures just to watch them burn.
