Silence (feat. Khalid)

Marshmello

Yeah, I'd rather be a lover than a fighter
'Cause all my life, I've been fighting
Never felt a feeling of comfort
All this time, I've been hiding
And I never had someone to call my own, oh nah
I'm so used to sharing
Love only left me alone
But I'm at one with the silencefound peace in your violence
Can't tell me there's no point in trying
I'm at one, and I've been quiet for too long
I found peace in your violence
Can't tell me there's no point in trying
I'm at one, and I've been silent for too long
I've been quiet for too long
I've been quiet for too long
I found peace in your violence
Can't tell me there's no point in trying
I'm at one, and I've been quiet for too longI'm in need of a savior, but I'm not asking for favors
My whole life, I've felt like a burden
I think too much, and I hate it
I'm so used to being in the wrong, I'm tired of caring
Loving never gave me a home, so I'll sit here in the silenceI found peace in your violence
Can't tell me there's no point in trying
I'm at one, and I've been quiet for too long
I found peace in your violence
Can't tell me there's no point in trying
I'm at one, and I've been silent for too long
I've been quiet for too long
I've been quiet for too long
I found peace in your violence
Can't tell me there's no point in trying
I'm at one, and I've been quiet for too long
