

# Mama Guitar

Don Cornell

(CHORUS)

Hey, mama, mama guitar  
Hey, mama guitar  
Sweet mama, mama guitar  
I love my mama guitar A mama guitar  
Beats a woman every time  
A mama guitar  
Beats a woman every time You can strum her  
You can thump her  
You can throw her on the floor  
You can pick her  
You can dump her  
But she'll only cry for more  
A mama guitar  
Beats a woman every time (CHORUS) A mama guitar  
Beats a woman every time  
A mama guitar  
Beats a woman every time You can walk away and leave her  
And she won't sneak out and cheat  
You can take her on your travels  
And she never has to cheat A mama guitar  
Beats a woman every time (CHORUS) A mama guitar  
Beats a woman every time  
A mama guitar  
Beats a woman every time  
You can tease her  
You can squeeze her  
Make her sing sweet and blue  
And if the strings get rusty  
You can trade her in for new A mama guitar  
Beats a woman every time Hey, mama, mama guitar  
Hey, mama guitar  
Sweet mama, mama guitar I love my mama  
I love my mama  
I love my mama  
I love my mama I love, love, love, love  
Love, love, love, love  
Love my mama guitar  
I love my mama guitar
