High And Lonesome

Faith Petric

High and lonesome, be on your merry way
High and lonesome, be on your merry way
Well now, you're back a-wanting me and I'm not gonna let you stayWell now, ya went 'round the corner, now
Come back soon
Still gonna meet me you just, waitin' 'til noonI'm high and lonesome
Be on your merry way
Well now, you packed up, want to leave me
And I'm not gonna let you stayWell now, tell me, tell me baby, now now
What's wrong with you?
Don't treat me darlin', like you, like you used to doI'm high and lonesome
Be on your merry way
Well now, you're packed up want to leave me
And I'm not gonna let you stay
