## **Mathilde**

## Florent Pagny

Momma, do you see what I see? On your knees and pray for me Mathilde's come back to meCharley, don't want another beer Tonight I'm gonna drink my tears Mathilde's come back to meGo ask the maid if she heard what I said Tell her to change the sheets on the bed Mathilde's come back to meFellas, don't leave me tonight Tonight I'm going back to fight Wretched Mathilde's in sightMy heart, my heart, stop beating so Just make as if you didn't know That Mathilde's come back to meMy heart, I don't want you to say She's lovelier than when she went away Mathilde, whols come back to meMy heart, stop being overjoyed Remember you were once destroyed By Mathilde, who's come back to meFellas, please don't go away Tell me that I mustn't stay Mathilde's coming back todayMy hands, you'll start to shake again When you remember all the pain Mathilde's come back to meYou'll want to beat her black and blue But don't do it, I beg of you Mathilde's come back to meMy hands, remember all the years Remember when you caught my tears Mathilde's come back to meMy hands, you'll want to touch her now But please try and be strong somehow Mathilde's here, she's coming now, nowMomma, can you hear me yell Your baby boy's gone back to hell Mathilde's come back to meCharley, champagne right away I know you've been saving it for the holiday But Mathilde's come back to meGo ask the maid if she heard what I said Tell her to put the best sheets on the bed Matbilde's come back to meMy friends, don't count on me no more I've gone and crashed through heaven's door
