Knowledge

Aquabats

[Originally by Operation Ivy]I know that things are getting tougher
When you cant get top off from the bottom of the barrel
Wide open road of my future now...
Its looking fucking narrow
All I know is that I dont know nothing
We get told to decide
Just like as if im not gonna change my mind
All I know is that I dont know nothing
Whatcha gonna do with yourself
Boy better make up your mind
Whatcha gonna do with yourself boy
You're running out of time
This time I got it all figured out
All I know is that I dont know nothing...
And thats fine
